Great Father

We have heard, that our
beloved and much respected Superin-
tendant Mr Talfourd, has recovered from
his illness, which makes us all feel rejoiced,
but hearing also that Your Excellency has
seen fit to remove him, Mr Talfourd, from his
office of Visiting Superintendent of our affairs
with deep regret and unhappy feelings, We
therefore beg Your Excellency, Our Great Father
to take our wishes and feelings into considera-
tion and have our Superintendent, Mr Talfourd
reinstated and again placed over us, as for
merly and his Red Brethren of this District
will feel happy in knowing that their Great
Father takes an interest in their ^{wishes and} future welfare

Your Red Children, would
in the event of their Great Father considering
it impracticable to reinstate their ^{much} esteemed
late Superintendent to his office, suggest, that

that their wishes, in that case would be
satisfied with the appointment of John
S. Hasnton of Sarum Esquire, who has
for the past eighteen months or more fulfilled
the duties of our late Superintendent Mr.
Dalfourd, with ability, fairness and satisfac-
tion to us

And Your Red Children will
as in duty bound ever pray &c

Done ~~in Council~~ at Anderson
