

Ed. writes me every week but I
seldom hear from Charlie.
Glad you went to see Charlie and
Junie and had such a nice visit.
Miss Home is married.

My dear Father:-

I was so pleased
to hear from you once more
and thank you so much for
the money. I had a letter
from Mrs Palmer a few
days ago and she sent
me one dollar "to buy some
little comfort" she wrote.
What a dear sweet woman
she is and how kind they
are all to me. I have
much to be thankful for
in my friends. I have
many kind ones here too

I have had several
callers lately, Harry
Singleton, Frank Balster
who was an old Sarnia
boy but now of Durango
Colorado he is in the jewelry
business and doing well and
he is county treasurer for
La Plata Co. he was here
as a delegate to some convention
he called twice to see me
and brought me a beautiful
bunch of flowers, carnations
and a box of choice confections
I enjoyed his visit very much
indeed, he is very much of a
gentleman and has the appearance
of the successful business man
and last week Julius Macvic
was here, we were always
great friends in Sarnia
and he is very little changed

we had a delightful time.
I went down town to dinner
with him one day, he says
I look lots better than I
did a year ago when he was ^{here}
I was just getting over that
dreadful illness then.

Had I tell you when I
wrote you before that I had
gone into the lace making
business? I'm quite an
expert now and I'm doing
splendidly with it. I have
been giving lessons, seventy
five cents for three hours
and I have had three at-
tending. Fine making \$2.25 -
all clear money in three
hours I never had less than
two there I have sold
patterns and material to
one or the other with a profit.

of .50 or more. of course I
don't do that every day still
I nearly paid my expenses
last month and will hope
to pay them this month.
Last week I sold two linen
collars for \$3.00 a piece & 6.00
then I got an order for a
jacket front at \$8.00 and another at \$7.00
don't you think I'm doing
pretty well for an invalid
and I tell you I have had
very miserable a great
deal of the time. Last week
I had to hire a woman to
come in and sweep my
house for me.

I will try to write you again
sometime don't forget me in your prayers
with heaps of love
Your affectionate daughter
