is worse then that

I see lots of people that sick but they never make me sick yet I'm very sorrow I'll soon make the people sick hys looking at me

I guess I'll jump over Board that goes nothing Well I told Mr Rice about the trouble you have on him and he said that he didnt ow you anything he paid all his expences he said that he paid all the meals he had and mine beside and Bead We just had six meals and Bead's while we was thair we never had no dinner at all I know I just had two meals while I was thair and he said he paid for his Board But he said if thays anything that he owes you in Board Bill he will pay you thats on his own side one my part he has nothing to do with it

Why didnt you say something about it before he left not after when its all pass and then talk about it and beside he wants to know what you loss by him he said he never took anything

and the crowd he said he never took no crowd thair for you to wait on,

You have so much to say about my crowd I think I have something to say about these things but later on its going to be the way
