(Dear Brother)

This few Lines is to let you know the news of this place, I wish to mention to you that I have had talk with Anderson and on the same time I mentioned to him about you being a Chief at least he enquired of me how you came to be Chief, as I was not at a loss I told him every thing and in the same time I mentioned some other Indians that could tell him the same that were living in the States, I told him that they was one the name of Sall that was living with you that could tell him the same - Anderson answer of I had told him how things was - I am very glad to hear all this - I am going to make it my duty to have all the right Chiefs as they owt to be I understand that there is a good many of these Indians that pretend to be Chiefs, I will have all them excluded, and right Chiefs more however, to not give pri-

Brantford. Then that will not be the case - and
them that will not obey their chief - I have to inform
you that I have a few days ago forwarded my petition
to His Excellency the Governor General I enclosed your
certificate and the map you made out for my share of
land, the reason I have sent your paper, is to give an
information to the Governor, how these lands his our
property from our Grand Father — I suppose you
will be questioned about this business about my Land
you will not say any thing against what is right
I have done for you — Webeatick will take your
example and do the same — I have nothing more to
say

I wish you well and all your
family — we are all well here
Thank god — I hope god
all Mighty will keep you in good
health
