Dear Madam

Your ever welcome
letter was received some time
since, I am ^{glad} to say that my
health is now better than two
weeks ago. I hope these a few
lines may all found you
enjoying good health.

Now could you find a suitable
Bible among you people, if there
is one, ask the price one, our
people need one here, the super
of the S. School wish to get one
to help him in his work—

The weather has been very cold since Feb. 1st we will be glad when the Spring comes;

Some of our Representatives in Congress will come to Grand Rapids Feb. 20th I think I shall go and will urge him to see your matter attended too, as soon as possible. I will tell them that your people are very anxious to hear from the Department. Let me hear from you as soon as you find that Bible it is part of the old Testament and all the New Testament.

Respectfully yours
W. K. Austin
