Mrs J. Sands  
Sarnia

Out

I received your letter and I'm so  
sorrow my mother and the others went thair to  
make all that trouble Beside the trouble I made  
Mother is so sorrow she never thought that she  
would make so much trouble as all that.

But she told you that she would make it all right  
with you But she didnt have ~~the~~ <sup>enough</sup> money with her  
thair she paid all that lady expences and Back again  
But the Board she didnt have enough ore she would  
have paid it

And you never answered the question I ask you  
But I'll ask you again I dont want to be like Mr Rice

I want you to tell me how much you going to  
charge mother and that lady for staying at you place  
and Beside my self how much you going to  
charge me thats what I want to find out.

I'm so sorrow I made you folks sick I never  
thought I'd make you sick at all it's a funny  
thing that you never see Blood Before I never  
see any one like that Before every lady or woman  
has to be like that cant be helped sometimes people

Its me thats going to settle this thing up  
no one else I want to get through with this  
first before I settle up with the other Bills  
thats coming to me I can do it people  
needent be so scared as all that  
But still I'm sorrow I made you that  
trouble This will end it  
hope to hear from you soon
