Quincy Mass Dec 10/17

My dear Agnes:

I really can't understand why I haven't heard word from my last letter also the one to your mother

I am certainly waiting patiently for the reply each morning waiting for the mail coming back at noon & at 4 P.M.

Dear you have me puzzled & I wish to be forward enough to find out, not misrepresenting myself but rather inquiring

I have special leave from Dec 15th returning the morning of 27 this was given to me by the Captain (Lieut Dickson) U.S.N. I have informed him that I expect to be married I still hold that checks will forward

came as soon as I hear from your Mother so
I wish her consent.

Wrote to my Dad & he is overanxious
to have you stay at their house.

Enclosed a picture I was trying to
whistle at the same time with a grin & the
sun shining in my glimmer.

Have done my best to cross the
border but came back disapproved of by Navy
Dept.

Telegraph or let me know as soon
as possible by night letter or special delivery
to Quincy or if you are in doubt send to 37
Kossuth Pl. Brooklyn my father's house

Agnes please let me know as soon as
possible

Remember me to your Mother
as ever Jack
