Mrs Sands

Dear Friend

My object  
in writing you is to ask you  
to kindly loan me the photos  
you have of your Uncle William  
and his late wife my Sister  
Mary and all you have that  
your Aunt Elizabeth had in  
her album and then may  
be some you will not care for  
if so I would be more than  
glad to have them & those  
you wish returned please  
mention, and I will be

be faithful in doing so.

My Cousin Rev E. R. Young  
wants to see them all & choose  
copies of them earlier days as  
well as later.

Enclosed please find  
Stamp.

Remember me to your  
Uncle and wife, tell him  
I am now able to attend  
Church twice on Sundays

Hope you are well &  
family also.

Yours gratefully  
(Miss) H. F. Walden.

P.S. You may wonder why I have  
to send to you for photos. You  
may be aware there are persons  
who think nothing of helping them-  
selves to photos, who has taken mine  
and when they have gone to I can't  
tell. I have none of your up nels  
& only one of Sister's which was taken  
when Charlie was an infant and  
thus it has been very much  
the case of with the rest of us.

You will see my address at  
the heading of this letter.

If your Mother is still living  
Kindly remember me to her.

Remember your parents well.

How very sad it was about your  
Aunt Elizabeth. Let us live

Try dear so that we may be  
always ready for whatever may  
await us.

A. F. W.
