

H. Method, Alta,
Dec. 10th. 1888.

Dear Guss:

I am going to send you a check on Bank of Toronto for \$125.00. Perhaps they will not check it. If not please return immediately. If you get it checked pay the following bills, keep five dollars yourself & return the balance to me.

Bills

(1) ⁶³ Maxwell & English	\$37.86.
(2) Gas Heated.	7.86.
(3) Collins & Loxton	6.00.
(4) Rev Steward ⁶³ Maxwell	5.00
(5) Miss Gussie Stells.	5.00
Total	<u>61.72</u>
Balance to be returned	63.28.

The Bank will probably charge you a small amt. for cashing the check.

Out here it would cost me \$2.00 to get it cashed and so I send it to you to save that.

I am going to tell you something very wonderful. Charlie wrote me a letter of eight pages. A real good letter all through and he didn't say "awwell" that disappointed me.

Mary & I seem to find plenty to do to keep us from getting homesick. Mr. McLean's absence will throw a great deal more on us.

Ever Yours
Ed
