madam I wish you let me know what  
you are bent to do I have been  
waiting for you a month and now I would like  
to have you explain why you are keeping  
the petition for so long  
Here I have a attorney wanting those papers which  
he is from Washington I have told you what to do  
and I cant do more and I want you to let me know  
by return mail what way this to be  
done by law or what I have been good and to send  
you the petition to sign I did not want you to keep  
it to look at or show to all the  
Indians in the State you will know every Indian  
Seeing those papers will say I am all that bond you will  
find them here just the same as you say they is  
lots of lies there and I can find lots of signs  
Here but they are not wanted at Washington which  
they have got they have got every Indian name there  
and what bond he be long  
That is what has raised such a fur at Chicago  
cause every Indian said he he was the real heir  
to that property now I guess they will have to  
wait a while  
yours truly
