Dear Julia Coffin

Your letter I read
this ev. Am writing as requested
will thank you to see that
the matter is handed to the
Council. I have written
Amelia to do so. If she does
not I have asked the Council
to see that she does.

Please keep me advised
as to the movement of things.
If you cannot get \$50.00
for the piece get what you
can.

We are well. I have

New Year. We may be
here another year.
