

March 22nd 1811

Dear Madam

After I returned home
from your house last Sabbath
I thought you did not like my
company well enough to sit
with me, although I may be
mistaken. I really hope I am.
if you do not like my company
I would like to have you inform
me and if my company is
acceptable I would be pleased
to sit wait upon you.

Please answer this soon
your ever true friend

P. E. Myers
