To Rev. E. Wood L.L.

Sup. of Missions

Rev. Sir. I beg leave to state for your information, I have been for many years a member to the Wesleyan Methodist Society here. And I was loved as well as you loved the Methodism, But, Last Evening, I did send a word to you, by desiring to have a new Minister, But all is a Vain, And many Months have past and gone. My mind has very un comfortable, And I have endeavored to relieve myself from this unhappy state of mind.

But without success,

it is over one year from last of May, since the beginning of my trouble is caused by Rev. S. Arnold, the Missionary here, which I need now state, Therefore I have thought expedient to take a step to remedy the un comfortable state of my mind, for the above reason, And on the Religion Point, I have an exclusive right, to go, to the Church of England, And I have applied to be received in the Church, And the door has opened, And I have fully made my mind to be a member of her Communion the balance of my days, And as I know in this vicinity where my mind is made up - I change not, further, when I first heard the word of God, now over thirty years past & gone, since their first came ^{here} by Peter Jones, Methodist Missionary, I several others, ^{And I admire & love the word or} ^{which their} ^{did} ~~then~~ ^{bring} brought, for to save souls, I was consented ^{to} be a member, long as

May lived; and also I did commence to
assist the Preachers, to bring my people in
eternal Good, and many Excellent W.M.
Preachers Occure. Every three year, Labouring
as well as in the Beginning. Again, since
Rev. J. Hulbert came, we are full to think or ^{to say,}
he Consumed the thirty years Good Missionary
toil, By all to pieces, As usual, By late
(Rev James Musgrave.) he brought down to bust the
Industrial Schools, this made my heart
dreadful Pain, before the Great almighty ever-
living God, for the above Reasons.

The Lord keep you and me from falling into
Sins, is the prayer of
