My dear Sister

I now take pen to write to you hoping that you are well and I am well too and I hope that little Agnes is well too and all the girls are writing home to their parents to send them some money to go home and that is why I write to you to send me some money to go home you said if I liked I could write to to send me the money to be up stairs and I should like to get it if you cant get it you neednt send so much it is getting warm up here now I am so glad

t we will soon go  
- that is the rule  
we are to write home  
for money before  
weeks and I hope you  
ill try to be the first  
one Mrs Cryer is very sick  
ever since last week I  
hope she will get better  
before we go home she is  
going home with us and  
I am working in the kitchen  
this week and I like all  
the girls very much we had  
holidays for two weeks and  
I was up early on Easter  
Sunday to see the sun  
dance and we are going  
to have examination in  
six weeks and I hope you  
will send the money as  
soon as you can and our  
teacher is very good to us

and the snow is all going  
away and I try every day  
to say my lessons well  
every day to my teacher and  
I say my prayers every night  
and morning to God I ne-  
forget to say them and  
we went to the concert  
last wednesday night and  
it was very nice I was  
glad to go and I hope  
I will be a Victor again  
before we go home and  
we had our prizes last  
Examination I got a book  
tell mother when you  
write to her that I  
send my best love and  
a thousand kisses on her  
nose and I send my love  
to grandmother and aunt  
and especially to little  
Agnes and to you and I

out like to stay hear  
ad I think this is all  
can say this afternoon  
so good bye my dear  
sister my love to  
you all

Answer this as soon  
as you can
