Dear Friend

As Muckkida Mooshwain is
about starting for Ahmidjowong I am
happy of Hoping a few hasty lines - of informing
you - that I and this enjoy the blessing of
a good health, through the Providential care
of which I am thankful - Hoping that you
enjoy the same blessing, and the rest of your
friends -

I have just returned from Owen Sound
Campanette of which I have no news to
relate to you of a great importance, therefore
I must close - by saying. Booshoo Booshoo
I may come and see you, this fall - but I am
certain - that is if I have shoneyah
