

Muncytown Mission Aug. 2nd 1843.

My dear Brother,

I write to inform you that our Camp Meeting will commence on Friday the 11th August next, and it is the wish of your Christian brethren here, that you and as many of your people as can conveniently come, should favor us with your presence and assistance. We wish to have a good Camp Meeting, and therefore want all the help we can.

My family and myself are well, and I hope you all enjoy good health.

I shake hands with you all in my heart

And remain My dear Brother

Your friend and brother
