Dear Madam:-

I have just received a letter from Mr. John B. Shipman, the attorney who has been representing the Potowotomie Indians. In this letter he states that the fund is not for the Potowotomies as a Tribe, but for two hundred and seventy-two individual Indians named therein. He states that if we can give him the names of the Potowotomies that you represent, he will let us know at once as to whether or not they are on the list. He states that he has so few lists in his possession that he does not find it safe to send them to any person.

Will you kindly obtain a list of the names of the Potowotomies, and let us hear from you at an early date.

Yours truly,

Dictated
A.M.
